From: Lamont D. Satchel, Esq. *LS*  
Director of Labor Relations

RE: City Employment Terms

As you know, the City of Detroit has implemented employment terms ("City Employment Terms" or "CET") for employees in certain unions. Employees are encouraged to contact their respective unions for questions regarding the applicability of the City Employment Terms to them. We understand that there are a number of questions employees have regarding the actual implementation of various City Employment Terms as they affect wages, vacation, sick banks, healthcare and other areas of importance to employees. Below are a number of items covered by the City Employment Terms, accompanied by the City's approach to implementation.

It should be kept in mind that it is the City's intent to implement the economic and non-economic provision of the City Employment Terms in a reasonable manner so as to avoid or minimize personal and operational disruption.

Implementation of the item below for non-union employees will be communicated at a later date.

10% Wage Reduction and Cessation of Furlough – A 10% wage reduction will be reflected in employee's paychecks on August 24 or August 31, 2012, depending on the employee's pay cycle. Budgeted Required Furlough ("BRF") days will be discontinued and coincide with replacement by the 10% wage reduction. The last Budgeted Required Furlough day will be July 30, 2012. For employees who do not have BRF days the 10% wage reduction shall be effective July 17, 2012.

Merit and Step Increases – All merit and step increases have been eliminated effective July 17, 2012.

Shift Premium – Shift premiums will be \$.25 for the afternoon shift and \$.50 for the night shift, effective August 12, 2012.

Vacation Accrual Cap – Currently vacation hours are capped at 320 hours and accrual over this amount must be used before September 30, 2012. Going forward the cap on accrual of vacation hours will be reduced to 160 hours. However, this year employees will be allowed to carry over up to 320 hours on October 1, 2012. This cap will be implemented pursuant to the Human Resource Vacation Policy.

**Elimination of Swing Holidays and Election Day as Holiday** – Swing holidays received this July 1, 2012 will be honored. However, there will be no future receipt of swing holidays after July 1, 2012. Effective July 17, 2012, proration of swing holidays for new hires has ceased. Effective July 17, 2012, Election Days formerly treated as holidays will be considered work days.

**Sick Time Banks** – Award of Reserve and Seniority Sick Banks will be discontinued. No more accruals to these banks will be made after July 1, 2012, but they will be available for use. Current Sick Banks will be capped at 300 hours. Employees will be notified prior to the effective date of the cap.

**Jury Duty** – Supplemental jury duty pay will be eliminated. However, employees will be allowed to use available paid leave time while off on jury duty. Employees will be notified prior to implementation of this change in the city's jury duty policy.

**Private Car Mileage Reimbursement** - Effective September 2012, City of Detroit employees who qualify for mileage reimbursement will no longer receive the \$3.00/day reimbursement for use of their vehicle on city business. Such employees will, however, continue to receive actual mileage reimbursement. Also, supplemental accident payments are eliminated effective September 2012.

**Health Care** – The City has made changes to the plan design of its health care benefits including BCBSM PPO, Health Alliance Plan & Total Health Care. The City is eliminating BCBSM Traditional and Comprehensive Major Medical as plan options for all active employees subject to the CET. Open Enrollment is expected to occur October 1 – October 31, 2012 and the 80/20 employee healthcare contribution is expected to be implemented in October 2012.

RE: **IMPLEMENTATION OF BUDGET REQUIRED FURLOUGH  
DAYS FOR SENIOR ACCOUNTANTS, ANALYSTS AND  
APPRAISERS (SAAA) BU 7100**

This notice is to inform you that effective March 14, 2011, employees represented by SAAA will begin to observe unpaid Budget Required Furlough (BRF) Days. In accordance with the terms and conditions of their 2008 – 2012 collective bargaining agreement, the BRF days will be continued for three consecutive twelve-month periods. Please refer to the attached documents for the BRF implementation guidelines and schedule.

# Budget-Required Furlough (BRF) Day Implementation Guidelines

*(These guidelines are intended to be used for implementing budget-required furlough days for union represented employees.)*

- ◆ Budget-Required Furlough (BRF) Days are prescheduled days off without pay. BRF days are to be taken in eight (8) hour increments.
- ◆ Labor Relations will provide notice to departments when specific bargaining units are to start the BRF days. Please do not implement the established BRF day schedule prior to receiving this notice. All affected unions will also receive notice from Labor Relations.
- ◆ Upon receipt of notice from Labor Relations, directors will be responsible for providing notice to the union represented employees, within their department, of the BRF start date.
- ◆ To the maximum extent possible, all employees are required to take BRF days off without pay in accordance with the City of Detroit's official BRF schedule. We must however, provide an appropriate level of supervision to manage work activities and employees who are not, as of this time, participating in the BRF. To ensure adequate levels of supervision, directors must assign a limited number of supervisors to manage operations on BRF days.
- ◆ Employees who are scheduled to work on a BRF day will be paid for the day, but will be required to take a BRF make-up day. BRF make-up days are to be scheduled by the department and taken by the employee as soon as possible. The requirement is that all BRF make-up days (without pay) must be taken within the 12-month period. (Example – Employee A must work the scheduled BRF day on Monday, February 15, 2010. Employee A's make-up BRF day must be taken before the end of the twelve month period in which the BRF was missed.)
- ◆ Directors are responsible for ensuring that in instances where employees are required to work on a BRF day, that a BRF make-up day is scheduled and taken by the employee. BRF make-up days should only be used when absolutely necessary. In an effort to prevent an entitlement to unemployment compensation, an employee should not be allowed to take more than two (2) furlough days in a pay cycle and cannot take more than one (1) furlough day per calendar week.
- ◆ Emergency and 24 hour/7 day Operations: The City recognizes that emergency service and certain 24 hour/7 day operations will not be able to reduce work hours or close on BRF days without incurring additional overtime costs. All 2008 - 2012 labor agreements contain an exception provision for these operations. However, all department directors are hereby instructed to implement the BRF day schedule to the maximum extent possible.
- ◆ Emergency Call In: Employees should only be called in for an emergency situation on BRF days. If an employee is called in to work on a BRF day, the employee will be paid in accordance with the "show-up" or "call back" payroll rules specified in the labor agreement or City Code. In this instance, the employee will NOT be required to make up the BRF day, regardless of the number of hours the employee is required to work. Again, this rule only applies in situations where the employee was called in to work on the BRF day. It does not apply when advance notice was provided to the employee that he/she is required to work on the BRF day.
- ◆ Grant agencies will be required to take BRF days. It may be necessary to extend the hours of operation. Department Directors are responsible for determining the hours of operation, with approval from the Mayor's Office, and to ensure the appropriate staffing levels are provided, including supervision.

*Note: Directors are required to provide documented rationale for all instances where BRF make-up days have been waived. Copies of such documentation must be provided to appropriate Group Executives, Labor Relations, and Budget for review.*

# Memo

**To:** ALL CITY EMPLOYEES  
**From:** Norman L. White, Chief Financial Officer *NLW*  
**Date:** November 13, 2009  
**Re:** Longevity – supplemental wages

In order to comply with IRS Publication #15 item 7 and IRS tax code §31.3402(g)-1(a)(1)(i), the City of Detroit is required to apply a Supplemental tax rate to wages defined under the Tax code as Supplemental wages.

For IRS tax purposes the City's Longevity payment is a bonus. Per the applicable IRS codes cited above, and confirmation by an independent IRS consultant, the City's Longevity payment must be taxed at the supplemental rate in order to comply with the federal requirements.

Effective with the Longevity payment payable on December 4, 2009 longevity will be taxed at the federal rate of 25% for all city employees. Per IRS requirements, this rate will be applied regardless to the number of exemptions you have on the W-4 form you filed with the City.

Depending on your current pay rate, your longevity tax rate may be more or less than a regular payroll. Please contact your tax preparer for how the change will affect your individual situation.
